V. Kaleidoscope — Educational Programme

Kaleidoscope 2019 — Environmental & Creative Leadership Workshops Partners: Botaki · Éditions Animées · La Fresque du Climat Children participated in three parallel workshops: 1. Botaki — Gardening workshop introducing children to nature connection, with each child leaving with their own seedling. The Botaki game raises awareness of 'better eating' and environmental respect. 2. Éditions Animées — The Cahier de Dessin Animé: children coloured a book that came to life via the BlinkBook app, then projected their animated creation on the big screen. 3. La Fresque du Climat — A participatory, creative 3-hour workshop on climate change based on collective intelligence. The association, founded December 2018, aims to raise awareness among 1,000,000 people through this tool.

VI. Other Activities

Cannes Digital — Digital Marketing Workshops & Mentoring (final year) The Digital Marketing Workshops and Mentoring Programme for Filmmakers continued through 2019. The festival maintained its professional presence at the Cannes Film Market. Cannes Digital would be relaunched with Wonder Lab in 2026.
